

JOIN THE NHS HEALTH AT WORK NETWORK

THE VOICE OF NHS OCCUPATIONAL HEALTH

Health at Work

The NHS Health at Work Network influences and advises Government and other bodies about occupational health in the NHS – we’re particularly proud of our recent work with PHE and NHS Improvement in developing clearer guidance on immunisation and pathology screening for NHS staff. We also provide a gateway for businesses in the broader community who are seeking OH advice and support. But most importantly of all, the Network exists to represent you!

JOIN/RENEW NOW FOR THESE EXCLUSIVE BENEFITS

FREE place at the Network Annual Conference – worth £295

Our highly acclaimed networking event will leave you focused and inspired.

8/9 September 2020 at Chesford Grange, Warwick.

FREE access to MoHaWK – worth £475

MoHaWK is the national web-based benchmarking tool that supports local audit for OH services, allowing you to benchmark your Service against your peers.
