

Health at Work Network

Linda Lewis RN, Specialist Community Public Health Practitioner (OH), BSc, MA, CIOSH North West Board Representative

Linda has been working in occupational health since 1992, working within a local authority, and has also worked in manufacturing and the NHS. She is currently employed as the Assistant Director of Health and Wellbeing working for Southport and Ormskirk NHS Trust.

Linda is particularly interested in the management of attendance of employees, workplace stress and risk management.

She is the Chair of the C&M OH Managers Forum, a member of the North West Growing OH group and a Board Director of the Faculty of OH Nursing.
